

# *St Aubyn's on Clairvaux*

*A unique venue with that difference!*

*The gardens offer 4 acres of parkland grounds with several ideal spots for the ceremony.*

## ***The Garden Wedding Ceremony Package***

There are about 5 different areas for you to choose from to say 'I do'. This includes 60 white ceremony chairs. There is power located throughout the grounds for sound systems. There are several choices for the signing table and chairs. Plenty of time allowed for photographs and celebratory drinks.

## ***The Glass Room – wet weather option***

This area has a pavilion feel with the white drapes, chandeliers and openness. Fabulous plan B for those extreme weather days! It also enables the bride to arrive and make her entrance totally undercover on wet days.

## ***Guest Room & Swimming Pool***

The guesthouse is available for either party to gather and spend time before the nuptials.

***Wait-staff*** We provide 2 wait-staff for three hours, for serving of drinks and food

***White Umbrellas*** Available for the bridal party

### ***Ceremony Rehearsal***

Allowing you time to have a practise run of the ceremony with your celebrant and bridal party. We recommend doing this the day before at the projected time of your wedding.

### ***Toilet***

There is a toilet located poolside for your guest's convenience.

### ***Garden Wedding Ceremony package \$1950***

### **Extras**

We can recommend various catering services for post ceremony food.

If you intend to have drinks you will need to provide ice & drinking vessels.

We welcome you to make an appointment to view the gardens.

Kind regards

*Leanne Tobin*
